25X1

1. A military camp is located just outside Kiskörös (Y6/N52) approximately 300 m. off the road to Soltvadkert. The permanent strength of the garrison, which includes some artillery units, is estimated to be from 3,000 to 3,500 men. The bakery at Kiskörös supplies the camp with a daily average of two and one-half tons of bread; 2,200 to 2,500 buns on Sunday; and 800 to 1,000 buns on Sunday for the artillery units.
2. The camp is left almost empty each summer from May to September, when the units move to training camps in the Osalapuzsta and Nagybugac areas.
3. Other military barracks in the area are located at Szabadcsallás (Y6/N55) and at Kiskunlachaza (Y48/N49). The latter, the largest in the area, has a rail siding.
4. Exploratory drilling for oil was begun in 1953 just outside Kiskörös on the left of the road to Akasztó. Although drilling had reached a depth of 1,500 m. in November 1953, no oil had been found.
5. The following personalities at Kiskörös are known:
 - a. Istvan Molnár, deputy chairman of the sub-district council [REDACTED]
 - b. György Pártfai, Party Secretary [REDACTED]
 - c. Miklos Szabó, Deputy Party Secretary [REDACTED]
